Upgrade Program

Instructions for Request for Registration Approval Form

The Dual Purpose Request for Registration Approval Form may be used for either the Upgrade Program or the Open Registry Program by checking the appropriate box at the top of the form.

Complete the information requested clearly in ink and please be sure to check your work for accuracy.

Private ID - This is the ID you use personally and usually refers to the animal's eartag or tattoo.

Birth Date - Give the month, day and year.

Birth Type - Circle S for single, Tw for twin or Tr for triplet.. If the animal is from a larger litter, please write in the number born, e.g. a quadruplet would be indicated by "4".

Please use these color definitions when completing the Form.

W — White fleeced animal with no known natural colored heritage
W/N — White fleeced animal with natural colored heritage
N — Animal with natural colored fleece

A photo and fleece sample of each animal is required in order to process your request for registration. Please be sure to identify the fleece and photo with the animal's private ID. You may also include additional information you have about the animal(s) in question.

When you have completed the form, send it (along with attachments) to the Upgrade Program Chair.

There are no fees due at this time. The Chair will notify you when registration is approved and advise you how to proceed with registration.
